

## Arizona Sols Honda del Sol Car Club Sponsorship Information

### INTRODUCTION

Arizona Sols (AZSols) welcomes the opportunity for company sponsors and thanks you for considering sponsoring our car club. Because we cannot charge for memberships, we recognize that donations alone cannot support all of AZSols activities and charitable events.

We have a sponsorship program that is mutually beneficial to both those who support AZSols and AZSols itself. Without the support of our members and sponsors, some of the events would be difficult for AZSols to promote and host on its own.

AZSols has created the following sponsorship packages that can greatly benefit Sponsors and AZSols.

### GOLD SPONSORSHIP LEVEL - \$100 BILLED ANNUALLY

1. Gold Sponsor Link to your site on AZSols site, with your Company Logo or banner (not to exceed 2 x 5 inches) on the main page ([www.azsols.com](http://www.azsols.com)) with a direct link to your site, and an additional link on Links Page.
2. One AZSols event (meet) or your own promotional event to promote business to your establishment, with the option to have photos taken of our cars for promotional purposes.
3. AZSols will mention and promote your establishment at all AZSols events. Banners, signs, etc., will be displayed if provided by Sponsor.
